

Driver

THIS IS A VERY PHYSICALLY-DEMANDING JOB!!!

We are recruiting for a Truck Driver with a Class A CDL to deliver steel and drywall. In addition to driving, this job requires the worker to load the trucks with a forklift and unload them by hand. Unloading (stocking) the material at job sites is extremely strenuous and requires the worker to be able to frequently lift and carry 110 pounds, sometimes up stairs. This is a full-time, hourly position. Applicants should be available to work between the hours of 6-4 Monday-Friday.

Qualifications:

- MUST have a Class A CDL
- MUST be able to frequently lift and carry 110 pounds
- Forklift experience preferred
- Boom truck experience or NCCCO Certification a plus
- Spanish-speaking a plus

Company Description:

Steeler, Inc. is one of the oldest manufacturers of steel studs in the nation. In addition to steel framing, Steeler, Inc. distributes a full line of drywall supplies and accessories. Steeler, Inc. is a stable 36-year old company with 12 branches throughout the Western United States and Canada.

Pay will be \$15-17/hour with medical, dental, vision, and 401k benefits offered after approximately 90 days.

To apply please email your resume to jobs@steeler.com with the subject line "Driver" and the location to which you are applying.
