

Long Haul Driver

We're looking for a long haul driver to deliver steel across the Western U.S. Generally speaking, the driver will be sent out for 2-3 weeks and then come home for a couple days, typically getting at least 8,000 miles per month. Our truck is a 48-foot sleeper flatbed.

Requirements:

- 3-5 years experience
- TWIC Card
- Class A CDL
- Updated medical card
- Good driving record
- Able to pass a drug and background test

To apply, please send your resume to jobs@steeler.com and enter "Long Haul Driver" in the subject line.
